NSEF Mission Statement

The North Syracuse Education Foundation is a 501(c)(3) non-profit community organization whose purpose is to ensure that the students in the North Syracuse Central School District have the benefit of a quality education, by enhancing the level of excellence in our schools and responding to the realities of diminishing state and local funding.

Our sole purpose is to support the district in our shared vision of quality education for all students in grades PreK-12. We demonstrate that commitment through private source funding from sponsors, guests and donors.
